

BAJAMAR BEACH FRONT LOTS

Price: 395000

Bajamar, Puntarenas, beach front lot for sale

The 4 titled lots with total 2 acres beach front are in front of the beach with a beautiful view, with each lot 20 meters of beachfront, 20 meters of public road frontage and 90 meters depth. The lots are at only 45 of San José city. The new four lane highway between Orotina and San Jose will bring driving time down to approximately 45 minutes. Located down the Pacific Coast, in the small quiet community "Bajamar", only located 20 minutes from Orotina, yet, the beach is also 200 yards above sea level providing protection and security from storms.

This big parcel is clean and ready to build a house a small hotel or condos. This property is part of the only 5% title beach front properties in Costa Rica. There is water, electricity and phone available. Road is in very good condition, there are plans to pave it. All these parcels have their own cadastral numbers. Options of use due to the way the lots are located, by, and its location near to new upscale developments and close to the beaches of the Pacific Ocean, options are many.

If your objective is a private recreational club or hotel, a condo-development or a commercial development, or combinations of the above, or a luxury house this beach front lot guarantees you a unique location.
